Valid until : 30-Sept-2020 (based on empty pick-up date)

Equipment : 20' ISO tank container **FOODSTUFF-ONLY**, UN-tank type T11 (IMO 1), 21 - 26 cbm, bottom discharge, steam heating

Rate includes:

- Pre demurrage: 18 days free prior to vessel leaving the port, USD 50.00 per tank container per day thereafter.
- 14 days tank container rent after arrival at the port of discharge, USD 50.00 per tank container per day thereafter. **In the event consignee does not return the tank container within the number of free calendar days, at the final destination as agreed upon: HOYER Global will invoice said consignee demurrage at rate listed, per calendar day. Payment of demurrage will be guaranteed by the freight payer within 30 days after invoice date.**
- Normal internal cleaning after discharge until USD 200,00 per tank container, subject to a maximum residue of 20 litres. All costs for additional cleaning and disposal of residue will be for freight payer's account.

Rate excludes:

- Commercial / export documentation (legalisation, certification, etc.)
- All customs clearance formalities
- Taxes and duties
- Pre carriage
- THC at port of loading
- Ocean freight on carriers of our choice
- IMO surcharge
- All additional surcharges (eg War Risk, Congestion, Low Water, etc.) announced by third parties after date of issuing offer
- Hazardous chemical labelling of the tank container on loading (if applicable)
- THC at port of discharge
- On carriage
- Pier demurrage / storage charges / chassis hire
- All costs for heating, steam or electric (if applicable)
- Marine insurance / product insurance
- Courier costs
- Handrail for loading or discharge
- Pump for discharge
- Any customs examination / mobile X-ray scanning costs (which are beyond the control of Hoyer Global)
- Repairs to tank container due to damage caused while in shipper's / consignee's control
- All costs related to drop the tank container / trailer on site for loading / unloading
- All costs related to the weighing of the tank container / trailer
- Any preparations or specialty equipment unless specially requested

Subject to:

- Equipment availability
- Provision and acceptance of MSDS (English Version)
- Space availability and IMO acceptance of the shipping company
- The guarantee that the product is fully compatible with stainless steel. Any repair of corrosion damage due to the nature of the product is for the account of the freight payer
- Fenex and Combicon Bill of lading conditions

Your transports will be invoiced in the currency of our quotation. The invoice will be issued from HOYER Global (USA), Inc., Houston, TX and we ask for receipt of invoiced amounts on our bank account in the USA. Invoice will be generated and sent out upon on-board confirmation. Payment within 15 days after invoice date.

Tank(s) will be released at destination against a respective deposit to ensure safe return of the tank(s) and possible settlement of demurrage by the consignee.

We thank you for the opportunity of submitting this quotation and look forward to your response. If HOYER Global may be of further service please do not hesitate to contact us.

Yours sincerely,

HOYER Global Transport
